Urban Electric Globus pendant

"The Globus pendant is classic in its style and finish offerings, yet appears as a contemporary piece of jewelry when combined with other pieces in this space."

Perspectives

Style Scheme

Pool Pavilion

This pool house designed by Ken Dietz ensures that everyone will have as much fun out of the water as in.

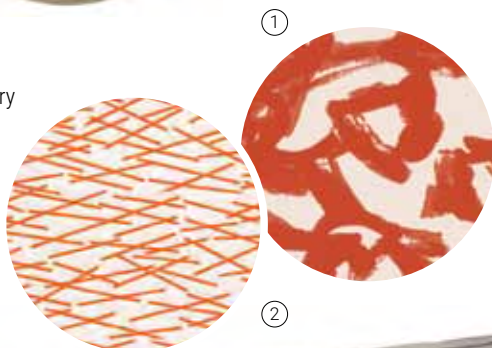

Throw pillows made with Perennials Fabric

"I like to introduce complementary colors as accents in a room."

Fabric #1: Tangled
in Red Coral

Fabric #2:
Sticks in Mandarin

The Rayn Collection Three-Seater

"A substantial sofa that has an airy lightness to it. The neutral-colored weave harkens back to wicker deck furniture, and the linen fabric feels soft and cool on the skin." | [Dedon, Showroom](http://Dedon.com)

Viccarbe Shape table

"Who doesn't love a pop of color any time of the year? This bright, zig-zag-shaped side table holds its own in any room."
